

Emergency Services and Public Safety

- Emergency vehicles will have access to all roadways and given priority access, with roads supervised by professional traffic management and RCMP.
- Pemberton Music Festival provides extensive on-site medical and emergency response teams to minimize impacts on Pemberton's local emergency services.

Be Fire Safe

- Report smoke or fire concerns to Festival personnel immediately.
- Smokers, please use disposable ashtrays

Temporary Restrictions

- Signage around rivers and lakes will advise Festivalgoers of temporary public access restrictions to sensitive riparian and/or areas of public safety risk due to river hazard. Please respect these temporary restrictions.

Stay Hydrated and Cool

- Bring a water bottle to fill at Festival water stations.
- Seek shade under colourful art structures.

CN Rail Tracks

- The CN tracks will be operational during the festival. Please do not walk on or along the tracks. CN Rail trespassing penalty - \$115.

Mountain Bike Trail Access

- All area mountain bike trails will remain open. Please use caution and expect minor congestion around the Festival site.

Festival Water Use

- The Festival installed an on-site ground/rain water reservoir to maintain the Festival grounds. Village of Pemberton (VoP) water is not used for site maintenance.
- Water for drinking, showering and food services comes from the VoP water service. Water use is metered and the Festival is billed on amount used.

When do festivalgoers arrive?

- Wednesday, July 13 camping opens at 2pm (est.25%)
- Thursday, July 14 (est.50%)
- Friday, July 15 (est. 25%)

When do Festivalgoers depart?

- Monday, July 18 by 2pm

Succeeding Together

Pemberton Music Festival is grateful for the support of local authorities, helping us deliver a successful Festival experience for everyone. Our thanks to:

- Village of Pemberton and Pemberton Fire Rescue
- Squamish-Lillooet Regional District
- Lil'wat Nation
- Agricultural Land Commission
- Ministry of Transportation and Infrastructure
- RCMP, first responders and public safety agencies
- Pemberton Chamber of Commerce
- Pemberton Valley residents
- Our awesome volunteers

The Local's Guide to Pemberton Music Festival Weekend

July 14 – 17, 2016

www.pembertonmusicfestival.com

Getting Around On Festival Weekend

Public safety and smooth traffic flow are top priorities. The Festival requires no road closures, but speed limit along Festival area on Hwy99 will be reduced to 50km for everyone's safety. Please respect all posted signage.

Local and Commuter Traffic

- Commuters who travel through the Festival area should allow an extra 15–20 min as traffic may be delayed at the Festival entrance. Depart before 8am on Monday to avoid high volume of camper departures.
- In 2015 peak traffic volumes between Whistler and Pemberton occurred at 5pm on Wednesday, 10am on Thursday and 9am on Monday during Festivalgoer load in and load out.

Local Transport to the Festival –Bicycling and Walking

- There is no general day parking at the Festival site.
- A bike valet will be located at the Barn for riders who are taking the shuttle to the Festival.
- The easiest way to access the Festival is by biking or walking. There is a bike valet at the Festival. The cycling/walking route is along the north side of Hwy99. Traffic management personnel will keep this lane safe for bikers and walkers. Plateau residents please access the Festival directly via "Friendship Trail" located at the end of Pemberton Farm Rd.
- **Ride and Walk Safely!** When heading home at night, carry a light or wear high visibility/reflective clothing. Riders, please wear a helmet.

Friday + Saturday Pick-up - 11am & Noon | Drop-off - Midnight & 2am

Sunday Pick-up - 11am & Noon | Drop-off - Midnight & 1am

Parking on Festival Weekend

To protect parking for residents, the Village of Pemberton implements a local parking strategy.

- From July 14-17, downtown street parking will be limited to two hours, except with permit.
- Limited park and ride / carpool parking will be available next to the Barn in the gravel lot.
- From July 14-17, residents will require a residential parking pass for street parking in front of their property. Two passes per residence available at Municipal Hall beginning Tuesday, July 5. Proof of residence required.
- Vehicles parked on the street not displaying parking passes during this time may be towed.
- Strata-owned residential properties are responsible for their own parking regulations and enforcement.
- Downtown Businesses can obtain employee parking passes for street parking from the Municipal Hall.
- Frontier Street North will be "One Way" northbound between Birch and Camus Street to facilitate locals shuttle pick up/drop off and to maintain traffic flow downtown.
- No street parking, regardless of parking pass, on the following streets (including VoP & SLRD boundaries): Urdal Rd / Pemberton Farm Rd East / Fraser Rd / Collins Rd / Airport Rd / Industrial Park (all streets).

Non-Local Traffic & Parking

- Non-local ticket buyers must purchase weekend camping or a Whistler shuttle pass. Primary camper parking is on the south side of Hwy99, east of the Festival site. Vehicles will be marshaled off the highway onto a temporary road leading to camper parking on IR2, minimizing traffic congestion.
- A temporary pedestrian bridge will be erected over Hwy99 so Festivalgoers can cross the highway safely without disrupting traffic.
