**CARRIED**

#### 5. 2021 Draft Budget Information - Tax Implications of 2021 Revised Draft Budget

Lena Martin, Manager of Finance, presented tax implications of 1, 2, 4, 6, and 8%, showing the effect of these increases on an average property in each assessment class. The Village has seen an average increase in assessment of 9.97%, with larger valued residential properties showing a greater increase, large industry showing an increase after last year's decline, and farm, recreation, non-profit and downtown commercial showing values lower than average.

Discussion focused on the tax rates compared to other jurisdictions and the average cost of a tax increase at 1, 2, 4, 6 and 8%. Council discussed the risk of depleting reserves, necessitating larger tax increases in the future if the tax rates remain low. Ms. Martin noted that the cost of maintaining infrastructure created by new development adds to the Village's costs each year.

Councillors requested information on potential tax increases from the Regional District and the Mayor reported that the increase expected this year is negligible.

Moved/Seconded

**THAT** Staff bring back a final 2021 draft budget to the next Committee of the Whole meeting with a 4% tax increase with the remaining value of taxes posted to Reserves for Future Capital Improvements.

**CARRIED**

#### 6. Review of Business Licence Fees for Cannabis-Related Businesses

Gwendolyn Kennedy, Legislative Assistant, summarized the information available regarding the costs that cannabis-related businesses impose on municipalities and presented a comparison of business licence fees charged by other municipalities.

Moved/Seconded

**THAT** the Committee of the Whole recommend to Council that Staff be directed to undertake an amendment process to the Village of Pemberton Business Licence Bylaw No. 855, 2019, that will include the following changes:

1. to reduce the business licence fees for Cannabis Retail Stores and Cannabis Production Facilities to 50% of their current rate in 2022; and

2. to further reduce these fees to match our standard business licence fees in 2023; and
3. to add an application fee of \$1,000 to business licence applications for Cannabis Production Facilities; and
4. to increase the application fee for business licence applications for Cannabis Retail Stores from \$1,000 to \$1,000 plus advertising costs for the notification as required by Village of Pemberton Recreational Cannabis Retail Policy DEV-011 and by section 94 of the *Community Charter*.

**CARRIED**

**Subject:** 2021 Final Budget with Tax Implications and 5 Year Financial Plan

---

### **PURPOSE**

To present to the Committee of the Whole the draft 2021 Budget for review and comment.

### **BACKGROUND**

At the Regular Council Meeting No. 1529, held Tuesday, December 8, 2020, Council approved the 2021 budget deliberation schedule. This is the fourth of four sessions scheduled which will focus on the Final Budget with Tax Implications and a draft 5 Year Financial Plan.

### **DISCUSSION AND COMMENTS**

This is the fourth opportunity the Committee has to review the 2021 Budget as prepared through consultation with the Village Department Managers. On March 2<sup>nd</sup>, tax implications were presented of 1, 2, 4, 6, and 8%, showing the effect of these increases on an average property in each assessment class. Discussion focused on the tax rates compared to other jurisdictions and the average cost of a tax increase at 1, 2, 4, 6 and 8%. The Committee discussed the risk of depleting reserves, necessitating larger tax increases in the future if the tax rates remain low.

The Committee supported a 4% tax increase with surplus allocated to Capital Reserves as per the resolutions below:

*Moved/Seconded*

**THAT** Staff bring back a final 2021 draft budget to the next Committee of the Whole meeting with a 4% tax increase with the remaining value of taxes posted to Reserves for Future Capital Improvements.

**CARRIED**

The budget has been updated to reflect a 4% tax increase and is attached as **Appendix A**.

Staff are currently reviewing year-end adjustments and additional revenues and expenses have been allocated, such as grants and recoverable expenses, resulting in additional year-end surplus. Additional surplus has been allocated in the 2021 budget to Capital Reserves. The Capital Reserve allocation for 2021 is \$86,498 and the Operational Reserve is \$206,960.

The budget also includes the addition of the recently announced Pemberton and Area Mountain Bike Skills Park Grant.

It should be noted that additional year-end adjustments may occur after audit review and will be reflected in the Tax Rate Bylaw on April 27, 2020.

### Five Year Financial Plan

As defined by the Government Finance Officers Association ('GFOA'), long-term financial planning combines financial forecasting and strategizing and in doing so, allows municipalities to address future issues by developing and evaluating different financial scenarios. More formally, financial planning involves 'the process of projecting revenues and expenditures over a long-term period, using assumptions about economic conditions, future spending scenarios and other salient variables' thereby allowing municipalities to 'align financial capacity with long-term service objectives'.

#### Government Finance Officers Association (GFOA) – Best Practices:

Long-term financial planning combines financial forecasting with strategizing. It is a highly collaborative process that considers future scenarios and helps governments navigate challenges and works best as part of an overall strategic plan.

Financial forecasting is the process of projecting revenues and expenditures over a long-term period, using assumptions about economic conditions, future spending scenarios, and other salient variables. Further, long-term financial planning is the process of aligning financial capacity with long-term service objectives.

Financial planning uses forecasts to provide insight into future financial capacity so that strategies can be developed to achieve long-term sustainability in light of the government's service objectives and financial challenges.

A long-term financial plan stimulates discussion and engenders a long-range perspective for decision makers. It can be used as a tool to prevent financial challenges; it stimulates long-term and strategic thinking; it can give consensus on long-term financial direction; and it is useful for communications with internal and external stakeholders.

### Taxes and User Fees

- Reserves for Future Capital Improvements for Water and Sewer infrastructure have been achieved with user fees increases over five (5) years

Water user fees increase by CPI maintaining the current Reserve Transfer, an increase of approximately \$5 annually.

Sewer user fees increase by 5 – 7% increasing the Reserve Transfer to match the Water Fund, an increase of approximately \$50 annually.

Water and Sewer Fee analysis and an Asset Management Plan are budgeted for 2021 to quantify that the fees and reserves are adequate for growth.

- Tax increases are estimated at approximately 5% annually with 2 - 3% estimated from Development and Non-Market change, an increase of \$60 - \$75 annually for an average sized home.

**Next Steps:**

Should the Committee indicate support for the updated 2021 Budget and Five-Year Plan as presented the next step will be to prepare the Five-Year Financial Plan Bylaw and Tax Rates Bylaw which will be brought forward as scheduled below:
