

PUBLIC PARTICIPATION IN COUNCIL MEETINGS

The Village of Pemberton is providing an electronic alternative to live attendance at Council, Committee, and Board meetings. This alternative provides a way for the public to ask questions during the open question period at the end of a regular council meeting, as per the [Open Question Period Policy](#).

ATTENDING MEETINGS IN PERSON

As authorized under [Village of Pemberton Council Procedure Bylaw](#), Council members, staff, and members of the public may attend an open meeting in person or by electronic means through a Zoom webinar, unless the Mayor has determined that the meeting will be held solely by electronic means.

The March 8th meetings of Council will be held entirely by electronic means through a Zoom webinar.

All council, committee, and board meetings are recorded as per the [Video Recording & Broadcasting of Open Meetings Policy](#).

VIEWING MEETINGS ONLINE

Recordings of meetings held after March 31, 2020 may be accessed from the online [Calendar](#). Meeting agendas and minutes are available on the [Village website](#).

How can I provide Public Comment on Zoom?

An open question period is available at the end of each regular council meeting.

Committee of the whole meetings, special council meetings, and board meetings do not include an open question period.

Opportunities for public input are available when development variance permits are presented.

Once Mayor Richman has invited comments from the public regarding a development variance permit, or announced Open Question Period, please do the following:

- Click on the “Raise Hand” feature in the webinar controls.
- Village staff will unmute your microphone when it is your turn to ask your question.
- A prompt will appear to confirm you would like to be unmuted. Once you accept the prompt, you will have the opportunity to ask your question.
- Once your question has ended, you will be muted again.

Please be reminded that as per the Village of Pemberton Open Question Period Policy:

- Only questions directly related to business discussed during the Council Meeting are allowed.
- Questions must be truly questions, and not statements of opinions or policy by the questioner.
- Not more than two (2) separate subjects per questioner will be allowed.
- Attending press will be given preference prior to proceeding to the public.

I prefer not to ask my question at the meeting. May I provide my question to the Village for response another way?

Of course! Please submit all public comments via email at sfraser@pemberton.ca.
