2022 Revenue Policy Disclosure**

*The Village of Pemberton and its government partners monitor and continue to assess the impact of COVID-19 on our community and local government operations and finances. This Plan includes cost measures and recovery grants that assist with the financial pressures the community faces, and in support of economic recovery, as well as a focus on core service delivery. The Village will continue to work with our Federal and Provincial partners to support a coordinated response to COVID-19.*

1. The table below shows the proportion of proposed 2022 revenue raised from each funding source. One column shows the proposed revenue including Transfer to Other Governments and the other excluding the Transfers to Other Governments. Transfers to Other Governments are funds requisitioned by other government or government agencies for specifically defined projects.

The Village has a bylaw to charge specific administrative fees for various tasks, such as tax certificates, titles searches, rentals as well as other tasks including a 10% administrative fee. This bylaw was last updated July 27, 2021. By billing these fees to individual users, this allows a more realistic tax levy as the tax payers are not subjected to funding these miscellaneous expenses.

The Village of Pemberton will continue to seek other sources of revenue to reduce the reliance on property taxes.

Parcel Taxes are taxes levied for the purpose of paying the debt on the Municipality's Water and Sewer Infrastructure. The rates are reviewed annually to determine if they meet the required debt payment schedule for the upcoming fiscal year. Parcel Taxes are reviewed annually and updated in accordance with the *Community Charter* Sec. 204.

2. a) The Provincial Class Multiples are established by the Provincial Government by *British Columbia Regulations 426/2003* and *439/2003*. These rates are used to calculate the tax rates for other government bodies (Collections for Other Governments) with the exception of the Squamish-Lillooet Regional District (SLRD). Both the Village and the SLRD's tax rates are established by the multiples set by Council. Following is a comparison of the two multiples with the variance identified in bold:

	Village Multiples	Provincial Multiples
Class 1 – Residential	1.00	1.00
<b>Class 2 – Utilities</b>	<b>5.63</b>	<b>3.50</b>
Class 5 – Light Industry	3.40	3.40
<b>Class 6 – Commercial</b>	<b>2.25</b>	<b>2.45</b>
Class 7 – Non-Profit	1.00	1.00
Class 8 – Farm	1.00	1.00

- b) In addition, the Ministry also sets a ceiling for the maximum allowable rate for Class 2 (Utilities). Following is the regulation:

*BC Regulation 329/96* defines a rate ceiling for class 02 property for 2000 and subsequent years. The regulation states:

“2. In setting the tax or levy rate for class 2 property for general municipal purposes, a municipality must not exceed the greater of

- a) \$40 for each \$1,000 of assessed value, and
- b) 2.5 times the rate applicable to class 6 property for general municipal purposes in the municipality for the same taxation year.”

- c) Furthermore, those properties that were included in the 2011 Boundary Extension (Order in Council No. 165) under Class 2 (\*Utility), the tax rate is set each year as per Sections 5 and 6 of the Taxation (Rural Area) Act Regulation, BC Reg. 387/82.

The following table outlines the distribution of taxes between the property tax classes.

Property Class	Municipal Tax Rate	% of Total Property Assessment Value (\$1,291,123,132)	% of Total Property Tax
Residential (Class 01)	1.3282	85.30%	71.08%
Utilities (Class 02)	7.4712	0.13%	0.61%
Utilities (Class 02) Rural	3.77	1.12%	2.66%
Light Industry (Class 05)	4.5159	0.82%	2.31%
Business/Commercial (Class 06)	2.9885	12.30%	23.07%
Rec/Non-Profit (Class 08)	1.3282	0.30%	0.25%
Farm (Class 09)	1.3282	0.03%	0.02%
<b>Total</b>		<b>100.00%</b>	<b>100.00%</b>

The 2022 Class 2 (Utility) Rural Tax Rate is 3.77 per each \$1,000 of actual value of property. This rate is set each year as per Sections 5 and 6 of the Taxation (Rural Area) Act Regulation, BC Reg. 387/82 as per Order in Council No. 165 (2011) Village Boundary Extension.

3. Following is a list of permissive exemptions granted for the taxation year and the amount of municipal tax revenue forgone:

Municipal Land and Buildings	\$	4,648
BC Conference of Mennonite Brethren	\$	375
Pemberton Childcare Society	\$	972
Pemberton Lion's Society	\$	2,141
Stewardship Pemberton	\$	270
Pemberton Search and Rescue	\$	490
Royal Canadian Legion	\$	186
<b>Total Municipal Revenue Forgone</b>	<b>\$</b>	<b>9,081</b>

In 2013, Council updated the Permissive Tax Exemption Policy to clarify the criteria, establish timelines for submission and to include an application form which will provide clear guidelines and deliverables for both Staff and the Applicant. Following is the updated Policy and Purpose:

**Permissive Tax Exemption Policy:**

The Village of Pemberton recognizes the significant value of organizations and groups in our community who provide worthwhile programs and services to our residents

The purpose of this Policy is to ensure that the organizations applying for a permissive tax exemption meet the criteria and that the application process is consistent and meets the goals, policies and general operating principles of the Village. The sources of Municipal revenue are limited and a request for an exemption must be considered in concert with other needs of the Village. Council will determine the amount of revenue to be foregone by permissive tax exemptions for non-profit organizations. Council at its sole discretion may grant varying percentages of tax exemptions up to 100% of the tax exemption.

Exemptions are not given to services that are otherwise provided on a private or for profit bases. This would provide an unfair competitive advantage and is not permitted as per Section 25 of the *Community Charter*.

Requests for permissive tax exemptions for organizations whose facilities are outside the boundaries of the Village of Pemberton will not be considered.

Further information, including the complete Policy and Application can be found on the following link on Village website:

**Note 1**

General 2022 Assumptions:

- Municipal tax revenues increased by 5% in 2022 with 3% to Capital and 2% to Operating Reserve.
- Non-Market Change Report (NMC) for 2022 shows an \$42,526 average change in assessment value of 24.82% (NMC 2.87%, Market 21.96%). Some classes show higher change while others show lower change, than the average.
- Frontage tax is calculated on \$3.53 per meter for water and \$5.79 per meter for sewer. Frontage tax is amended based on the retiring or securing of debt.
- The Industrial Park Parcel Taxes equal the debt based on the overall costs of the project to install the water infrastructure to the Industrial Park in 2007. Only those properties that did not choose to commute (pay upfront) their cost are levied.
- User fees for water rates in 2022 will show no increases compared with 2021.
- User fees for sewer have a \$40,000 budget increase in 2022

General 2022 – 2026 Assumptions:

- A 10% Administration Fee will be charged to individual user requests and tasks.
- Operating costs are increased to reflected ongoing pressures from inflation. Rates are increased by 3.9% in 2022, and assumed to increase 3% in 2023, 2024, 2% in years subsequent through 2026. This represents higher than average, and also highlight a gradual return to normal operation while transitioning out of impacts experienced as a result of the COVID – 19 pandemic, including but not limited to supply chain issues and labor challenges.
- Payroll and benefit related costs are projected to increase at a rate of 3.9% (non-union) and 2% (union) in 2022. Union wages increase by 2.5% and 2.75% in 2023 and 2024, and non-unionized wages are forecast to increase by 3% annually from 2023 through 2024, and 2% annually in 2025 and 2026, in line with operating cost assumptions.
- General debt collections, frontage and/or parcel taxes, will equal the general debenture interest and principle payments. This tax is paid by all property owners within the Village of Pemberton who have the ability to connect to the Village's Infrastructure.
- Transfers to external agencies are forecasted to increase at a rate of 2% per year through 2026.
- Detailed plans for costing of Community Climate Action plan objectives will be introduced and reflected in the 2023-2027 Five Year Financial Plan.
