Dear Mayor & Council;

The Joint Wellness Committee is a collaborative effort between the Lil'wat Nation, the Village of Pemberton and the Squamish Lillooet Regional District- Area C and is awarded to successful candidates from Xet'olacw Community School and Pemberton Secondary School, towards post-secondary education.

The Joint Wellness Committee will award two - \$750 Wellness Bursaries to successful candidates and each one of the applicants is more than deserving of this award. Applicants will have successfully met the criteria and have demonstrated outstanding citizenship, leadership in school and community, choosing a safe and healthy lifestyle, and your intent to pursue post-secondary education.

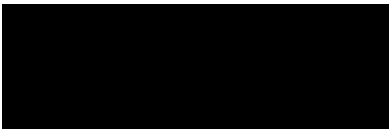

As we embark on 2023 we would like to request that you confirm in writing your organization representative and alternate to the Joint Wellness Committee. This will be an annual request to ensure we have the appropriate representative of your organization participating on the Committee. Please address the letter indicating your representative and alternate to:
